

# IS YOUR FOOD REDUCTION ENVIRONMENT AS CLEAN AS IT SHOULD BE?

## **THE COMPACT, POWERFUL FLEXIFAM DICER/STRIP-CUTTER WAS DESIGNED WITH FOOD SAFETY TOP-OF-MIND**

These days, food safety concerns are everybody's business. The Flexifam high-capacity dicer/stripper was designed to reduce food safety risks to a minimum. This compact and powerful machine offers complete separation of the product and mechanical zones, as well as hinged in-feed and discharge chutes for fast and easy sanitation.

With an industry-leading capacity of up to 7,000 pounds per hour, a quick release system that allows fast changeover between cut sizes, and interlocking safety switches, the Flexifam is a seamless upgrade for your current dicer/stripper, or as the next extension to your food reduction operation.
